U. S. Mint -

I have some old coins  
 that I have wondered if they would  
 be of any value - if I were to  
 dispose of them - One is a  
 dollar of 1828 marked on  
 one side Charles X Roi  
 de France - another dollar  
 a Spanish one 1818 -  
 A Mexican quarter of a  
 dollar of 1827 - A fifty  
 cent piece of 1829 marked  
 Repub. Peruana.

Counterfeit is death.  
Would these be of value  
if sold? Very truly

Kind; long old cases  
& wants album value,

The foreign silver coins are  
not worth more than bullion  
value. The cents, if in  
ordinary condition, are only  
worth their face.

All in the list are very common.  
Dealers pay 15 to 25 cts. each  
for Continental paper  
money.
